

Dated: 03.07.2020

Contempt petition has been moved by the petitioner, through Email, for taking suitable action against the respondents-contemnors for non compliance of order dated 14.10.2019, passed by this Tribunal in Claim Petition No.121/DB/2019, Anil Negi vs. State & others.

Normally, execution application should be filed by the petitioner before taking resort to contempt action. Still there appears to be some scope for inquiry from the respondents concerned.

List on 31.07.2020.
